

Dr. Marshall, Candidate for U.S. Senate thrilled with the Republican Day Speaker at the State Fair

Berwyn, Illinois- Dr. Bob Marshall, Republican candidate for U.S. Senate is excited to have Steve Scalise, House Republican Whip, on Republican Day at the Illinois State Fair. “Scalise has a great story of how he has become an important asset to electing Republicans across the U.S.” says Dr. Marshall who is eager to witness the great enthusiasm that Republicans in Illinois have to support President Trump’s re-election bid that is vital to continue the economic growth, appointment of conservative judges, and protecting our important freedoms such as the second amendment. Dr. Marshall will be available for any interviews to show why he is best suited to defeat Career Politician Durbin and give a voice to Illinois conservatives after years of complete Democrat control. Time and time again Senator Durbin has let the Illinois taxpayer down who has become nothing but a obstruction for better policies that benefit all of Illinois.
